The Father’s Glory! #Glorify Him!

Fathers carry a lot of responsibility. Fathers are responsible for provisions in the house and their families. Fathers are responsible for setting an example in the house. Not only in the house but in the workplace and in the community.. The Bible says if they don’t “take care of their own, they are nothing more than an infidel.” A father is also responsible for leading worship in his home and supporting his family, not only financially but for emotional support, how the family is doing and how they are living their life. He’s also responsible for “training up a child in the way it should go,” that’s what the Bible says. A father can’t do any of those things unless he acknowledges His Heavenly Father. “And the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth.” John 1:14 I want to glorify my Father in heaven and Jesus Christ, give them some praise and the blessed Holy Ghost because without Him where would we be. That word became part of our everyday life. My question to you is has His Word become flesh in your life? Has it dwell among you? Has He found a resting place or residence in your life? God is still alive and is on the throne. “Honour thy father and mother, which is the first commandment with promise that it may be well with you and you may live long on the earth.” Ephesians 6:2-3. There is a promise in your life. Today it’s about honoring your father and you have a promise with that one. He said it would be well with me, it is well with my soul. You don’t know how good honor does your soul when applied properly. He said you would have long life on the earth. With a long life you will satisfy me. Why? He confirmed His Word then and He’s confirming it now. The Lord told us to pray and the example is: “Our Father in

heaven, hallowed by your name. Your kingdom come. Your will be done on earth as it is in heaven. Give us this day our daily bread And forgive us our debts as we forgive our debtors. And do not lead us into temptation but deliver us from the evil one. For yours is the kingdom and the power and the glory forever Amen. Matthew 6: 9-13

What is He saying to us? The Father should be glorified first of all things. *“Seek ye first,”* because you are going to the father. The father will release some things in your life because he knows what you are in need of. Father has to have an idea of what His loved one needs. He can look at His child, the child might ask for one thing but the father knows there is something that is more of a necessity and more important. The Father’s desire is to give the best that he has to offer and a father whose heart is right. There is none right but the Father. A father wants what’s best for his children. If you can’t find a reason to glorify God, you should glorify Him for the mere fact He wanted what was best for you. He loved you so much that He looked past your faults and eternity knowing there was coming a time of eternal judgement and wanted you to be saved from it. We have three types of fathers: Heavenly, natural and spiritual. They all matter but the most important one is the Heavenly Father. The glory of the father is the Heavenly Father. The glory of the Father is when we beheld and looked at Jesus. I want the natural fathers to understand, when they see your children or spouse, they see your glory. That’s an extension of you. Why? Because you were created in the likeness of your Heavenly Father. When He looks at you, He wants to see your glory! Glory not only manifest but glory gives. Our Father is worthy and worthy to be Praised. When Jesus was praying, *“Father glorify your name. Then a voice came from heaven, saying, “I have both glorified it and will glorify it again. John 12:28* There is a double portion of voice that comes from the father. When you hear the voice you are not hearing words but expressions of glory.
